Our Vision & Mission

The vision of AECT's Education in the Health Professions Special Interest Group (EDHP-SIG) is to help, "ensure healthy lives and promote well-being for all at all ages." To achieve our vision, the EDHP SIG will seek to advance the professional practice of healthcare professionals and instructional designers by fostering transdisciplinary collaboration and communications, promoting immersion and the sharing of ideas and resources, and by facilitating evidence-based education, training, and professional development of healthcare professionals and their clients.

1. As stated in the third of 17 Sustainable Development Goals, endorsed by all members of the state of the United Nations
